"My favorite part of working at Cimarron Hills is watching the children grow up. I love seeing them learning the games of tennis and golf. I get a kick out of seeing their faces when they meet Santa or the Easter Bunny each year. They bring such a fun energy to the club!"

JACK NICKLAUS SIGNATURE GOLF COURSE

Chris de Keratry,
PGA Director of Golf

"I love to teach and spend a lot of time on the range trying to help anyone and everyone that wants help. I love working with any level of player that has the passion for improvement. I have students that want to play at the highest level and I have students that just want to get the ball in the air! Whatever level you are, I want to jump in and help you achieve your goals. I love watching kids grow up around golf and develop the same passion for it as I did!"

We didn't just design a course that's great for golfers. We got a great golfer to design our course. The result — a 7,302-yard, award-winning Jack Nicklaus Signature Golf Course that rewards thoughtful and strategic play, rather than simple brute force.

"Never try to force an idea onto a piece of land." Those were Jack's exact words. And that's why so many golfers today are able to enjoy a course that ebbs and flows through stately oak trees, mountain laurels, creeks and rolling terrain. A course that Jack describes today as "the finest, purest experience of golf in all the Hill Country — perhaps in all of Texas."

It's one thing to spend an afternoon on a great golf course. It's quite another to live near one. Even if you never step foot on our 7,300-yard award-winning course, you'll still enjoy the daily sight of beautifully manicured greens and endless fairways nestled in the rolling hills.

Cimarron Hills Golf & Country Club boasts a very active Men's Golf Association, Ladies' Golf Association & Junior Golf Program.

Our Golf Members enjoy the ease of online tee times, tee times 7 days in advance, a new fleet of EZ-GO golf carts and the vast reciprocal benefits at The Club at Comanche Trace, and also a number of fantastic clubs in the Troon Portfolio. Please visit www.troonprive.com for more information.

One of Cimarron's biggest missions is to GROW THE GAME. We offer weekly Junior Clinics in a Fall and Spring Semester format and offer Golf Camp during the summer months.

Cimarron Hills also has a Junior PGA Team made up of boys and girls ages 13 & Under.

Dylan Lemke
PGA Head Golf Professional

“Being able to teach juniors the game and see them grow and progress as golfers provides such a tremendous amount of joy to me! Getting your child into golf when they're young can provide a lifetime of enjoyment and we hope to get them started on that journey together!”
